

# AREA ZOOM-IN

## DISTRICT I - ACUSHNET AVENUE/TDI DISTRICT

## FOCUS ON HOUSING

WE'VE HEARD A LOT ABOUT HOUSING SO FAR - HELP DIG IN DEEPER!

### HIGHLIGHTS OF WHAT WE'VE BEEN HEARING:

- There is limited housing inventory and high demand at all price points.
- Prevent displacement of current residents.
- More affordable housing.
- Make the path to homeownership easier.
- Address homelessness due to rising housing costs, social service investments.
- Encourage redevelopment of vacant houses and new housing typologies.
- Improve arts and housing connections to keep creatives here.

## FOCUS ON CONNECTIVITY

WE'VE HEARD A LOT ABOUT CONNECTIVITY SO FAR - HELP DIG IN DEEPER!

HIGHLIGHTS OF WHAT WE'VE BEEN HEARING:

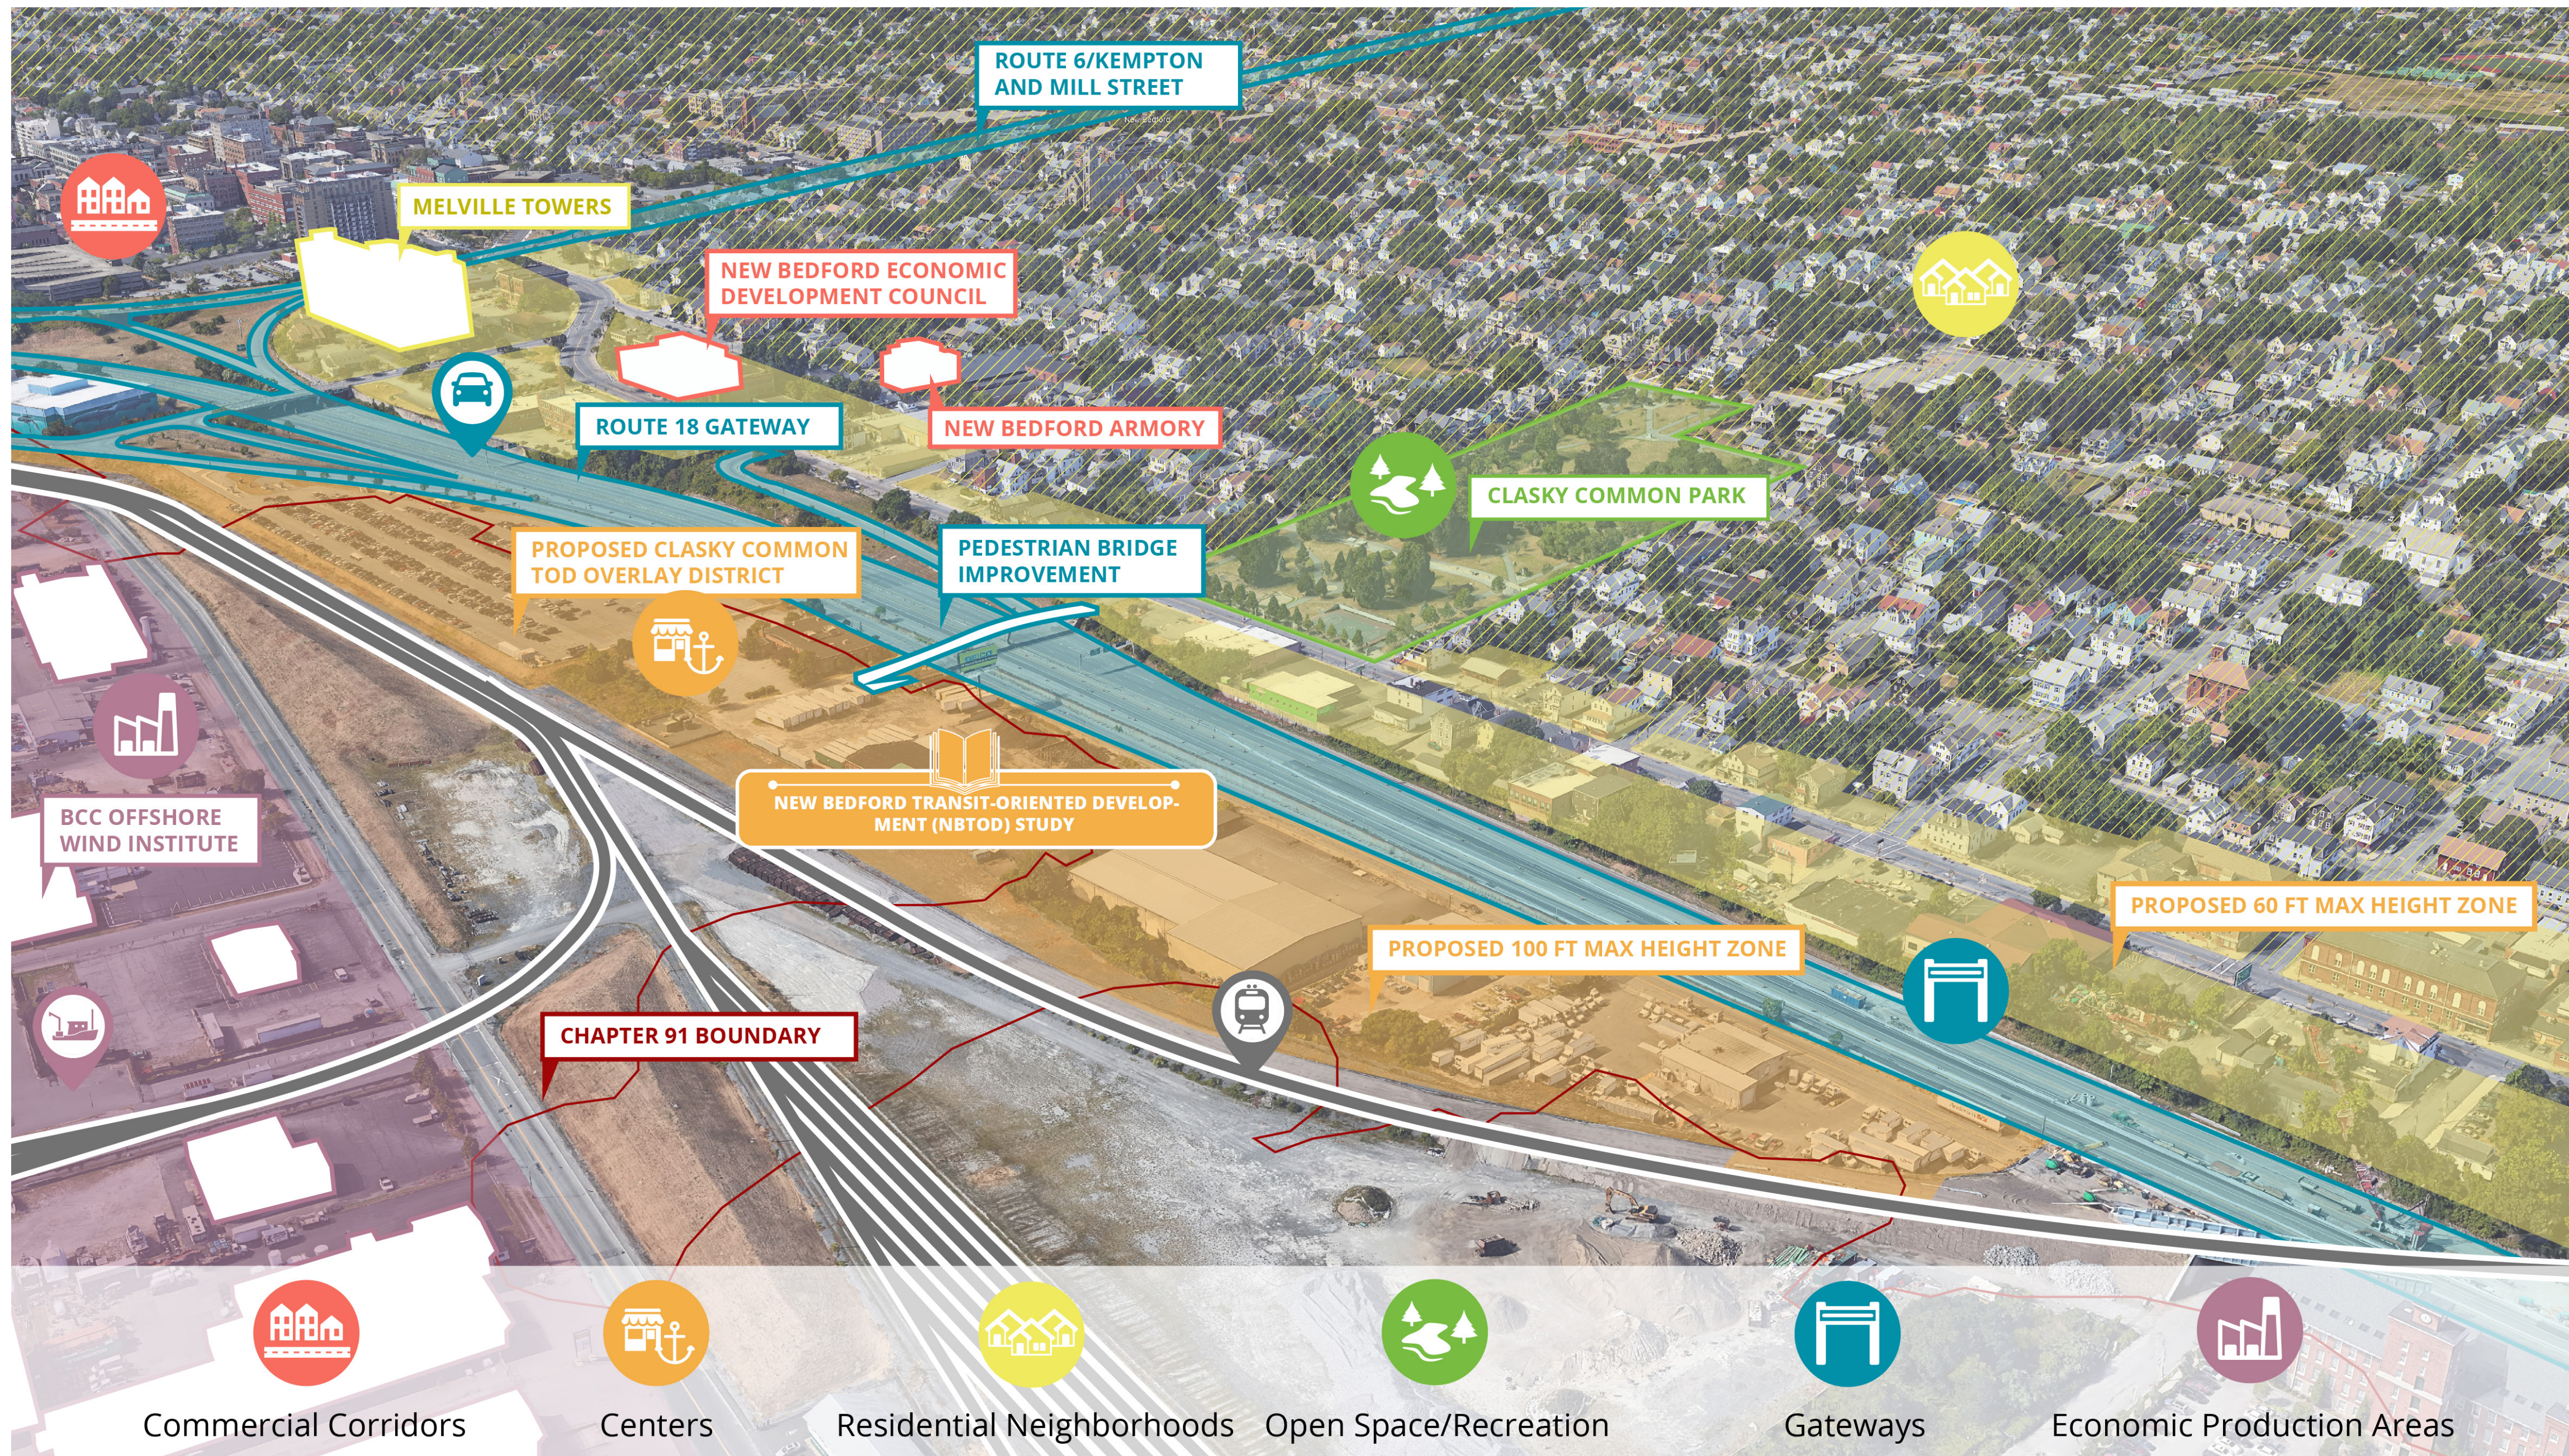

- Make New Bedford more pedestrian-friendly, walkable, and bikable (traffic calming, bike lanes, etc).
- Invest in all forms of public transit + mobility.
- Add more wayfinding to direct neighborhood walking to community sites.
- Create connections across/among neighborhoods.
- New Bedford should be a city connected by a network of pathways that all can use for transportation and recreation.
- More community facilities and shared community spaces in the neighborhood.

# CITYWIDE

# FOCUS ON EQUITY

WE'VE HEARD A LOT ABOUT EQUITY SO FAR - HELP DIG IN DEEPER!

## HIGHLIGHTS OF WHAT WE'VE BEEN HEARING:

- New Bedford is a tapestry of different ethnicities and its history needs to be told in a way that is inclusive.
- Improve transparency of City communications.
- Connect jobs to New Bedford residents.
- Early education access in all neighborhoods.
- Create an equitable distribution of street trees and vegetation citywide.
- Distribute infrastructure improvements and other investment beyond downtown.
- Enforce ADA laws and protect access.
